

YOUNG EYES
defending kids from online danger

The Digital Culture of Kids Today *A Parent Presentation*

Do you know what apps are on your child's phone? What are the latest social media trends? Do you really know what's on Snapchat or Instagram?

We are excited to announce Protect Young Eyes will be at All Saints Catholic School on **Monday, March 19, 2018**, to discuss digital realities, strategies, and practical solutions that will enlighten, equip, and encourage all parents who want to teach their children how to use technology responsibly. This free talk, hosted by founder Chris McKenna, will include specific recommendations for filters and detailed explanations and walk-throughs of popular apps and parental controls.

All parents are encouraged to attend the 90-minute session starting at 6:30 p.m.
